

**PREMIUM
GUARD®**

APPLICATION POPULARITY GUIDE

Premium Guard Heavy-Duty Filters are precision engineered to meet or exceed OEM requirements for fit and function. Manufactured with high-efficiency medias and superior materials, our filters support the optimal longevity of your equipment.

■ 850+ SKUs covering 90% of commercial heavy-duty market from class 2B-8

■ Supported by an award-winning, user-friendly website & comprehensive e-catalog

■ Intuitive "smart" part numbering system for simplified inventory management

■ Carefully vetted and selected global supply chain fully ISO/TS 16949-2009 certified

■ Broad range of on-highway commercial, fleet, off-highway machinery & marine applications

■ Covered by Product Liability Insurance and limited warranty

■ Produced by the nation's fastest growing and most innovative filtration company

■ ACES/PIES compatible electronic catalogs
